Questions:

1. *The RFQ indicates the hospitals will do a screening for the Jumpstart program. Where does the hospital send the referral?*

It is expected that the Jumpstart provider will establish a working relationship with the hospitals in order to receive the referrals.

2. *The RFQ indicates 150 units should be provided annually. 150 units is not enough meet with 5 families on a weekly basis for a year.*

The RFQ states that visits should be weekly during the first 6-12 months and adjusted over time to reflect participant needs. It also states the estimated number of families to be served per year is 3-5. Based on the needs of the family it may not be necessary to meet with each family on a weekly basis for a full year.

3. *The first year of the contract is pro-rated. Should the budget amount be for the pro-rated amount, or for the full year?*

The budget should be for a full year and that amount will be pro-rated for the first year.

4. *Is there a time limit the families can receive services?*

The RFQ states that first time parents and their newborn will be able to receive services through the end of age 3.

5. *On page 20 of the RFQ it states to attach a copy of the curriculum. Is this applicable for these services?*

No. Services will be based on the needs of the family, not prescribed by a curriculum.

6. *The maximum amount for this contract is \$15,000.00. How is the unit rate determined?*

The unit rate will be determined by the costs identified in the budget divided by the number of home visits estimated to be provided.
